Supper will be served in the high school cafeteria after school from 3:00 pm – 3:30 pm, except on early release Friday.

Supper meals ensure that students participating in regularly scheduled after-school educational or enrichment activity programs receive the nutrition they need to learn and grow.

The Supper program is funded through the Child Care Food Program (CCFP), a federally funded program, which provides healthy food in the childcare setting.

Meals meet all USDA requirements and include a milk, fruit, vegetable, grain and meat/meat alternate.

All meals must be consumed in the cafeteria or in the area with the staff person holding the afterschool activity. NO FOOD may be taken on the bus.
